

**HPC Training Series - Course 14 "Biosciences using High Performance Computing (HPC) Systems"**

Contribution ID: 11

Type: **not specified**

**Scalable and Performant Applications for Biomolecular Research: Efficient use of HPC and Cloud**

*Thursday, 19 June 2025 11:30 (30 minutes)*

**Presenter:** APOSTOLOV, Rossen (Director of BioExcel, a Centre of Excellence for Computational Biomolecular Research)
