

# PHAROS Training Series - Course 7 "Quantitative Pathologic Assessment using AI-based Whole-Slide Image Analysis"

Contribution ID: 17

Type: **not specified**

## Stage 3: Predictive AI & Clinical Applications

*Friday, 20 March 2026 13:10 (35 minutes)*

- Predicting Genetic Mutations ("Image-to-Omics").
- Survival Analysis (Risk stratification models).
- Treatment Response (Predicting pCR in neoadjuvant settings).
