

The Pharos Training Platform

Margarita Markoulatou, GRNET

What is PHAROS AI Trainings?

PHAROS
THE GREEK AI FACTORY

A web application that:

- serves as the training catalogue
- supports the broader PHAROS mission of building a strong AI ecosystem
- Supports AI innovation, research and education

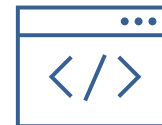

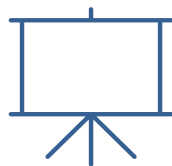

--> Make it easy for learners to discover courses, follow a structured learning path, and access all learning materials from one place

The Problem

PHAROS
THE GREEK AI FACTORY

--> Training material is often scattered

The Solution

Bringing all materials
together

Making content easy to
search

Organising courses into
a structured learning
journey

Key Features
